## CONGREGATIONAL SUPPORT

The Lutheran High School Association (LHSA) was incorporated in Southeast Michigan more than 75 years ago (1944) with the help of local Lutheran Church Missouri Synod (LCMS) congregations. Since then, LHSA schools have provided a Christian education for more than 15,000 students!

Ownership of our multi-school system ultimately rests with the "participating" congregations. These congregations choose to assist member families at various levels of congregational support, and ultimately, this helps bring down the cost of a LHSA education.

**PARENTAL OBLIGATION:** Upon completion of your application, you will be assigned a checklist which contains a congregational support form to be completed and signed by your pastor to confirm your level of support for the year.
